

ADDRESSING DISPARITIES IN WOMEN'S HEALTH THROUGH RESEARCH

Please join the Women First Research Coalition (WFRC) for a virtual briefing focused on the research needed to address disparities in women's health, including those related to maternal mortality, heart disease, and cancer. The briefing will feature remarks from the *Eunice Kennedy Shriver* National Institute of Child Health and Human Development Director Dr. Diana Bianchi and our WFRC member experts will share insights on what biomedical research is needed to address longstanding health disparities in women's health.

Speakers:

Diana W. Bianchi, MD

Director, *Eunice Kennedy Shriver* National Institute of Child Health and Human Development

Melissa Simon, MD

Vice Chair of Research in the Department of Obstetrics and Gynecology and Founding Director of the Center for Health Equity Transformation, Northwestern University

Judette Louis, MD, MPH

James M. Ingram Professor and Chair of Obstetrics and Gynecology, The University of South Florida Morsani College of Medicine, and President, Society for Maternal-Fetal Medicine

Marcela G. del Carmen, MD, MPH

Chief Medical Officer of the Massachusetts General Physicians Organization, Professor of Obstetrics, Gynecology and Reproductive Biology, Harvard Medical School

Wednesday,
October 28 at 4:00
pm EST

Register [here](#) by 5:00 pm EST on October 27.

NOTE: A Zoom link will be sent to all registrants in advance of the briefing.
